2020 Ohio Estimated Income Tax Instructions

Do I Have To Make Estimated Payments?
If your income is subject to Ohio withholding, you generally do not need to make estimated payments. You should make estimated payments for tax year 2020 if your estimated Ohio tax liability (total tax minus total credits) less Ohio withholding is more than $500. Individuals generally must make estimated payments if they are:

- Employees who are under-withheld by their employers;
- Retirees without Ohio tax withholding from their pensions;
- Business owners, including pass-through entity investors and sole proprietors; AND/OR
- Individuals with large amounts of unearned income, such as interest, dividends, capital gains, etc.

Estimated payments are made quarterly according to the following schedule:

1st quarter - April 15, 2020
2nd quarter - June 15, 2020
3rd quarter - Sept. 15, 2020
4th quarter - Jan. 15, 2021

Use the Ohio IT 1040ES vouchers to make estimated Ohio income tax payments. Joint filers should determine their combined estimated Ohio tax liability and make joint estimated payments. See information release IT 2006-01 entitled "Estimated Payment Allocation Process" available at **tax.ohio.gov**.

Note: Instead of making estimated payments, you can increase your Ohio withholding by filing a revised Ohio IT 4 with your employer. Also, special rules regarding estimated payments apply to certain taxpayers with farming and/or fishing income. See Adm. Code 5703-7-04.

If you do not make the required estimated payments, you may be subject to an interest penalty for underpayment of estimated taxes. See form IT/SD 2210.

For additional information, you can go to **tax.ohio.gov** for FAQs (located under the "Income - Estimated Income/School District Taxes and the 2210 Interest Penalty" category). See R.C. 5747.09.

What Are My Payment Options?
Once you have calculated your estimated payments, you must pay them quarterly through any of the following methods:

- **Electronic Check** via the Ohio Department of Taxation's Online Services portal at **tax.ohio.gov.**
- **Credit Card** (Discover, Visa, MasterCard or American Express) via either www.officialpayments.com, or by calling 1-800-272-9829 (1-800-750-0750 for the hearing impaired). The Ohio jurisdiction code is 6446. **Official Payments charges a convenience fee equal to 2.5% of your payment or $1, whichever is greater.** The state of Ohio does not receive any of this fee.
- **Check or Money Order** along with the appropriate payment voucher. Make the payment payable to "Ohio Treasurer of State."
