

County Number

Form LG 3&5

March 31, 2011

Please use this form in reporting the amounts distributed to the various subdivisions of your county participating in the Undivided Local Government Fund during the calendar year 2010.

Following this form is a report detailing the distributions made to each county from the Local Government Fund (LGF). Please use this information to determine if our records coincide. Document any variance that is discovered and/or any adjustments that were or will be made.

Feel free to contact Rose M Hallam Vidmar, Tax Analysis Division, at (614) 466-0091 or [rose\\_vidmar@tax.state.oh.us](mailto:rose_vidmar@tax.state.oh.us) with any questions or concerns.

If there is a difference between your LGF distribution records and the total distribution amount, there could be several items to investigate.

- 1) First of all, check the amount of the Dealers in Intangibles distributions throughout the year against the amount of the difference.
- 2) Second, our records reflect distributions made from January 1, 2010 through December 31, 2010. Were your monthly distributions to subdivisions based on prior month's distribution made by the State (i.e., a one-month lag between the distribution by the state and the distributions to subdivisions)?

To complete this form: in Section A, report the amount distributed categorized by subdivision; in Section B, report the details for the municipal distributions - list the cities, then villages (*cities and villages sorted in alphabetical order*) and the appropriate amount distributed to each. Detailed data on the distribution to townships are unnecessary.
