Form PC - 1 April 20, 2009

Please use this form in reporting information regarding conveyance fees (R.C. 319.202, 319.54(F)(3), 322.02) for the year ending December 31, 2008. Please include both traditional real property tax as well as converted manufactured home property tax ("like real") data on the conveyance fee form. The *transfer fee* (line fee, service fee) of less than \$1 per parcel should not be reported.

You may notice that in the last couple of years, we've adjusted this form in an attempt to simplify reporting. The final publication will maintain its traditional appearance. You can view these reports at this location (see PC-1):
