TO: County Auditor

Each year we attempt to collect data on all local lodging taxes imposed within the state of Ohio. If your county imposed a lodging tax at any time during calendar year 2010 and your office administers that tax, please provide the requested data in the table. If your county has a lodging tax but you do not have revenue information on that tax (presumably because your office does not administer the tax), it would be appreciated if you would forward this request directly to the entity that does administer the tax and therefore has such tax collection data.

In addition, it would be helpful if you could notify us of the existence of any lodging tax imposed by your county's board of county commissioners for a "special purpose" [i.e., a tax other than a "general" lodging tax authorized under RC 5739.09(A)(1)] in case such tax is not currently reflected in our records. Please use the link below to review the lodging tax information we have for your county and indicate any update or correction on an attachment.

As always, thank you for your cooperation!
