

HORSE RACING TAX

Ohio has permitted horse racing and pari-mutuel wagering on horse racing since 1933. The regulation of horse racing is the responsibility of the Ohio State Racing Commission, which consists of five members appointed by the Governor and confirmed by the Ohio Senate. The Racing Commission issues racing permits and sets the racing dates for each meet. Since 1953, the Department of Taxation has administered the tax on pari-mutuel wagering. Permit holders retain 18 percent of all money wagered and 4.0 percent of "exotic" wagering as their commission, subject to payments to the Tax Commissioner of the taxes on pari-mutuel and exotic wagering. (Exotic wagering includes bets made on placements other than win, place, or show, such as daily doubles, quinellas, perfectas, and trifectas.)

After state taxes, 50 percent of the commission must be used for purse money. In addition, part of the commission, along with a portion of the state's wagering tax, is used to develop and promote horse breeding and racing in Ohio. Permit holders also retain the breakage (the odd cents remaining after pari-mutuel winning tickets are paid off at the next lowest multiple of 10 cents). However, 40 percent of this amount must be used for purse money and 25 percent must be paid to the Horsemen's Health and Retirement Fund. Another source of revenue to permit holders is the authorization to conduct pari-mutuel wagering on televised simulcasts of racing at other tracks (off-track betting).

To encourage the construction and improvement of racing facilities, there are two capital improvement credits that reduce the tax liability of permit holders. The first is a reduction of 0.75 percent of the amount wagered for the construction of a new facility or the improvement of an existing track. The second is a reduction of 1.0 percent of the amount wagered for the major renovation of an existing facility if the cost is \$6.0 million or more. These projects must be approved by the Racing Commission and can run concurrently.

The tax on total wagering of nearly \$447.8 million in Fiscal Year 2006 provided over \$12.82 million in tax revenue and funds for horse racing development in Ohio.

TAXPAYER (OHIO REVISED CODE 3769.08):

The racing permit holder remits to the Tax Commissioner the tax on the amount wagered as described in **Rates**. The Tax Commissioner in turn distributes the tax as described in **Disposition of Revenue**.

TAX BASE (R.C. 3769.08, 3769.28, 3769.087):

1. Amount wagered each day on all pari-mutuel racing.
2. Amount wagered each day on exotic races.
3. Total amount wagered at each horse race meeting of a permit holder.

RATES:

Pari-Mutuel Wagering Tax (R.C. 3769.08) –

Amount Wagered Daily	Rate
First \$200,000	1.0%
Next 100,000	2.0
Next 100,000	3.0
Over 400,000	4.0

Exotic Wagering Tax (R.C. 3769.087) –

In addition to the pari-mutuel wagering tax, there is a special tax of 3.0 percent of the amount wagered daily on other than win, place, and show. This is termed exotic wagering and includes the daily double, perfecta, quinella, and trifecta.

Additional Pari-Mutuel Wagering Tax (R.C. 3769.28) –

This money is distributed to the municipal corporation or township in which racing takes place and is intended to reimburse these areas for expenses incurred due to racing meets. The municipal corporations and townships receiving the money may reimburse an adjoining political subdivision which also had expenses because of racing meets. The tax is levied as follows:

Total Amount Wagered Each Horse Racing Meet	Rate
Less than \$5,000,000	0.10%
\$5,000,000 or more	0.15

The maximum tax liability is \$15,000 from each horse racing meet.

EXEMPTIONS (R.C. 3769.28):

Agricultural societies are not subject to the additional pari-mutuel wagering tax.

Capital Improvements and Simulcast Credits (R.C. 3769.08, 3769.089, 3769.20, 3769.26):

1. Some racing permit holders can qualify for a Capital Improvement Credit. With the approval of the Racing Commission, permit holders making capital improvements, constructing new racing facilities, or reconstructing facilities damaged by fire or other cause that have a total cost of \$100,000 or more can reduce their tax liability by 0.75 percent of the amount wagered. For projects approved prior to March 29, 1988, the reduction continues for a period of 15 years on capital improvements and reconstruction and a period of 25 years on new race track construction, or until the total reduction in tax liability equals 70 percent of construction costs,

whichever occurs first. For projects approved on or after March 29, 1988, the reduction is limited to ten years or 70 percent of costs.

2. Large projects may qualify a permit holder for a Major Capital Improvement Credit. Permit holders renovating, reconstructing, or remodeling an existing race track facility at a cost of \$6.0 million or more can reduce their tax liability by 1.0 percent of the amount wagered for a period of ten years or until the cost of the project plus debt service is reached, whichever occurs first. If the reduction exceeds the tax on wagering, the abatement may be carried forward and

applied against future tax liability. The tax reduction is in addition to the 0.75 percent Capital Improvement Credit.

3. Permit holders may conduct electronically televised simulcasts of horse races from facilities in or outside of Ohio and conduct pari-mutuel wagering thereon.
4. Off-Track Betting (OTB) has been allowed by law since September 27, 1994. The first two facilities to offer this began operating in October 1999 and March 2000. Currently there is one such facility in operation.
