General Information

There are two Ohio estate taxes: (1) the basic tax levied by R.C. section 5731.02 and (2) the additional (or pickup) tax levied by R.C. section 5731.18. The additional tax is also applicable to nonresident decedents pursuant to R.C. 5731.19(C). The latter tax is designed to ensure payment to the state of the difference between the maximum allowable federal credit for state death taxes and the basic Ohio tax paid when the former exceeds the latter.

The additional tax statute, R.C. section 5731.18, does not give the taxpayer the option to forego paying the additional tax due to the state of Ohio. Consequently, for dates of death before Jan. 1, 2002, whenever the maximum allowable federal credit exceeds the basic Ohio estate tax assessed, the difference is required to be paid to the state of Ohio.

H.B. 66 amended section 5731.18 to incorporate any federal changes made by Congress to the Internal Revenue Code as of June 30, 2005. In addition, uncodified Section 557.03 of H.B. 66 grants a credit to every estate impacted as a result of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA). The credit becomes the equivalent of the

amount of tax that would have been due if the amendments to Section 2011 IRC had been incorporated into R.C. 5731.18 in 2002. Therefore, for dates of death on or after Jan. 1, 2002, the table below should be employed to determine if an Ohio Nonresident Additional Tax Return (form ET 3N) is still required to be filed.

Pursuant to R.C. section 5731.24, "...the executor, administrator, or other person or corporation required to file the estate tax return, shall, within sixty days after the date of the final determination of the federal estate tax liability, file an additional tax return, on the form prescribed by the tax commissioner, in the same manner as is prescribed for the filing of the estate tax return. The additional tax shall be paid, without notice or demand by the tax commissioner, with the return, and shall be charged and collected in the same manner as the estate tax, except that no interest shall accrue until sixty days after the date of the final determination of the federal estate tax liability."

For dates of death on or after Jan. 1, 2005, no R.C. 5731.19(C) nonresident additional estate tax will be due Ohio in any event.
