Ohio Sales and Use Tax Rate Change Notice

County Name	County Code	Old Rate	New Rate	Effective Date
Summit	77	6.25%	6.50%	July 1, 2008
Union	80	6.50%	6.75%	July 1, 2008
Union (COTA)	98	6.50%	7.25%	July 1, 2008

This and future notices of rate changes can be found on our Web site (http://www.tax.ohio.gov/divisions/sales_and_use/rate_changes/index.stm) sixty days prior to the effective date of the change. Please see below for a listing of all counties and their respective rates and codes to be used in filing the Ohio Universal Sales Tax Return (form UST-1) and the Ohio Universal Use Tax Return (form UUT-1).

The City of Dublin has become a member of the Central Ohio Transit Authority (COTA). Effective July 1, 2008, the area subject to the COTA permissive sales and use tax will be extended to those portions of the City of Dublin that are in Delaware and Union Counties. Those portions of the City of Dublin that are in Franklin County are already subject to the COTA sales and use tax so the rates for that area will not change. The sales and use tax rate in the portions of Delaware County that are in the City of Dublin will increase from 6.75% to 7.25%. The sales and use tax rate in those portions of Union County that are in the City of Dublin will increase from 6.5% to 7.25% (this rate change includes the Union County sales and use tax rate increase also effective July 1, 2008).

The COTA rate increase applies only to the portions of the city of Dublin located in Delaware or Union county. **It does not apply to the entire county.** Vendors will need to begin collecting the new rate July 1, 2008, if their business is physically located in this area, they make taxable delivery sales into this area and are collecting tax based on destination, or they perform a taxable service in this area.

When filing the sales or use tax return, you will need to use one of the blank lines available on the form to report your tax collections for the balance of 2008. You will need to write "Union (COTA)" in the county column, place the new county number in the county number column (98 for Union COTA), and then complete your sales and tax information. Delaware county already has a line coded for COTA. The Delaware COTA county number is 96.

On our Web site, you can sign up for the Ohio Tax Alert notification system, a service that will e-mail you important information concerning the taxes administered by the Ohio Department of Taxation. You can also utilize the Finder which calculates sales or use tax due based on sale location.

If you have any questions regarding the information in this correspondence, please contact us at 1-888-405-4039, or e-mail us through our Web site: tax.ohio.gov.
