

Federal Adjusted Gross Income (FAGI) Billing Program

Ohio law (Revised Code section 5747.08(E)) requires taxpayers to file certain information on their return consistent with the information reported on their federal return. On November 6, 2018, the Ohio Department of Taxation (ODT) began mailing Federal Adjusted Gross Income (FAGI) billing notices for tax year 2016 to taxpayers who had a discrepancy between what was reported on the U.S. Individual Income Tax Return Form 1040 and what was reported on the Ohio Individual Income Tax Return Form IT-1040. The FAGI billing notice summarizes “As Filed” and “As Corrected” amounts for federal adjusted gross income, exemptions and/or filing status and the total amount owed (additional tax due plus interest) to ODT because of the adjustments.

TO AVOID AN ASSESSMENT AND ADDITIONAL CHARGES, TAXPAYERS MUST RESPOND TO THE BILLING NOTICE IMMEDIATELY.

Taxpayers who **agree** with the total amount owed as calculated on ODT’s FAGI billing notice do not need to file an amended return and can pay via any of the following options. Payments made by paper or electronic check are free. Payments made by credit or debit card incur a convenience fee of 2.5% or \$1.00 (whichever is greater). The State of Ohio does not receive any of this fee.

- Enter the Notice ID 5002 for FAGI
- Enter Tax Year noted on the billing notice

OPTION 3 - Pay by Paper Check

- Write a check for the balance due and include the completed payment voucher from the bottom of the FAGI notice. For multiple notices, write a separate check for each balance due, write the tax year on each check and complete a payment voucher for each notice.
- Mail the payment(s) and voucher(s) to the address listed on the voucher.

Taxpayers who **disagree** with the adjustments and charges stated on the billing notice must obtain a Tax Account Transcript by filing IRS Form 4506-T **with the IRS**. Once received, send a copy of the Tax Account Transcript along with a copy of the FAGI billing notice to ODT's Compliance Division using the address indicated at the top of the FAGI billing notice or fax to 1-206-333-1771.

Failure to respond to this notice will result in the issuance of an assessment and further collection action that may subject taxpayers to the following interest and penalties as prescribed by Ohio laws:

- The interest rate on any unpaid tax due is set annually. The rate is 4% for 2017-2018.
- Late payment penalty is double the amount of interest due.
