

Ohio Tax Amnesty Ends Friday

Applications must be postmarked by June 15

Ohio's General Tax Amnesty Program ends Friday, June 15. To take advantage of this program, which allows you to catch up on certain Ohio back taxes without paying penalties or full interest, you must act now.

If you are behind on your Ohio taxes, are not part of an audit related to those taxes or the department has not issued a billing or assessment notice, you may qualify for amnesty. While applications received after the program ends may qualify, they must be postmarked by the final day, June 15.

If you think you may be eligible, I encourage you to explore [this site](#) and find out how the General Tax Amnesty Program works and how it may help you clear up unpaid tax issues at the lowest possible cost.
