Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

COLUMBIANA COUNTY
CALENDAR YEAR 2023 ESTIMATE
OF THE PUBLIC LIBRARY FUND ENTITLEMENT

July 22, 2022

In compliance with RC 5747.47(A), the Ohio Department of Taxation is certifying to Columbiana County, the initial estimated Public Library Fund (PLF) entitlement for calendar year 2023.

Calendar Year 2023 Estimated Entitlement from the Public Library Fund
Columbiana County:

| CY 2023 Guaranteed Share ("base" share) | $4,687,328.00 |
| CY 2023 Share of Excess (+,-) ("equalization" share) | $0.00 |
| CY 2023 Estimated Entitlement | $4,687,328.00 |

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.

In compliance with RC 5747.47(A), the Ohio Department of Taxation is certifying to Washington County, the initial estimated Public Library Fund (PLF) entitlement for calendar year 2023.

Calendar Year 2023 Estimated Entitlement from the Public Library Fund: Washington County:

| CY 2023 Guaranteed Share ("base" share)                      | $2,692,172.00 |
| CY 2023 Share of Excess (+,-) ("equalization" share)        | $0.00         |
| CY 2023 Estimated Entitlement                               | $2,692,172.00 |

Statutorily, the Public Library Fund (PLF) receives 1.66 percent of all state General Revenue Fund tax sources. However, HB 110 (134th General Assembly) temporarily increased this percentage to 1.70 for the FY 2022-2023 period. Your county’s share was determined pursuant to the formula contained in ORC 5747.46 and 5747.47 (inclusive). Displayed in the table above are the full year CY 2023 estimated PLF distributions. Additionally, the displayed amounts are net of transfers to the Library for the Blind and the Ohio Public Library Information Network (OPLIN). These transfers are also contained in HB 110 and are for the FY 2022-2023 biennium.

Note that the above figures are estimates, reflecting the current best projection of state tax revenues during Calendar Year 2023. Because of the inherent difficulty in projecting state tax revenues relatively far in advance, please remember that actual calendar year 2023 distributions to your county’s undivided local government fund will vary from the above estimate by an unknown degree.

As provided under Ohio law, in December 2022, we will issue an updated entitlement estimate for calendar year 2023.

If you have any questions concerning the PLF, please contact Andrew Coulter of Revenue Accounting (614-466-7150) for payment questions or Ernest Massie of Tax Analysis (614-466-0694) for questions on the forecast.
